

# AIR REPORT

*"Behold, I will do a new thing, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness And rivers in the desert." -Isaiah 43:19*

## Entering a Year of Promise!

**We are now off and running through 2025!** As we reflect on the past year, **we are amazed at what God has done.** Although the past few years have been amazing, I believe they were just a harbinger of what is yet to come. I appreciate the words of the apostle Paul in Phillipians 3:13-14:

*"Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus."*

**What an exciting opportunity we have to be ambassadors for Christ over the airways!** God has provided the awesome tool of radio to light the way for the lost and share a message of love and hope for those who are spiritually or physically struggling. In a world filled with uncertainty, pain, and darkness, **the message of Christ shines as a beacon of hope and light.** It is a message of love, redemption, and forgiveness—one that has the power to transform lives and bring peace to troubled hearts. The gospel is not just a set of teachings; it is the **very light of God** breaking into a world desperate for truth and healing.

Jesus Himself described His purpose in John 8:12 when He said, *"I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."* In this broken world, it is easy to feel overwhelmed by the darkness of sin, suffering, and despair. **But the light of Christ offers a way out**—showing us that no matter how dark the situation, God's love is greater!

**Our mission for 2025, at Your Celebration Radio Network, is to lift up the name of Jesus** and declare the work of the Lord as stated in Luke 4:18-19:

*"The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord's favor." (emphasis ours)*

Yes, we are believing God for exceedingly, abundantly more ministry impact than we can ask or imagine as we journey into this new year! **Your prayers and partnership and financial support of this ministry in 2025 are needed, appreciated, and help make this possible!**

## KTHO-HD 88.1, Prescott

**Prescott is On the Air!**

KTHO-HD, Prescott's new full-power lighthouse, is now broadcasting from Mt. Francis on 88.1.

KTHO is significantly stronger than our current signal on 98.7 and will eventually carry three channels of programming; *Your Celebration Radio Network* on HD-1, ALIVE FM on HD-2, and Christian programming in Spanish on HD-3. We believe God is going to use this station as a lighthouse beam of hope and encouragement throughout the Prescott area.

Your ongoing support of this project is appreciated and very much needed! We are only \$1,625 away from our goal and are still awaiting one more piece of equipment in order to operate in HD mode. Thank you to Rich and Jessie, below, who volunteered their time and labor for this project!

## Whit's End?!

### Miss Debbie was at it again—doing radio stuff, but this time at Whit's End!

"I'd heard about the Malt Shop and Kidz Radio recording studio for more than 28 years and always hoped to visit!" says Miss Debbie.

It was a spontaneous stop and only about an hour detour as Faron and I traveled home after visiting family in Michigan and Indiana. And what a top notch organization is Focus on the Family and all they do for listeners, today! But nothing can match the fun offered to our young children in what seems like countless rooms on the lower floor. I took the stairs to ride the 5 story slide, with my husband in tow. I entered a closet into Narnia and boarded a B-17 Flying Fortress. Wow!

Whit's End offered the opportunity to visit the Kidz Radio Studio, so I couldn't pass up this experience! The book shop is loaded with unique gifts, t-shirts, coffee mugs, and all the books we learn about on FOTF's half hour morning broadcast.

Faron and I, together, visited the malt shop for lunch and ice cream, of course!! It was glorious!

## Listener Comments

**Destiny of Hurricane, Utah called for the first time and said,** "You know when you were like, "God held back snow in Prescott just for someone special to hear it... I feel like I'm the somebody who was meant to hear it." Debbie responded, "That's wonderful. It sounds like God is doing a work in your heart and life, huh?" Destiny said, "So, so much. I'm on fire for Jesus!"

**Ben, a father of five, found the signal in Prescott,** "We just moved to the area in September. I've been listening since we moved up here. This is what we have craved for for years... years and years to get out of Phoenix and get up north. God blessed us and we're up here and we just love it. We are thankful everyday. Thank you for your radio station. You guys are very positive and I appreciate your messages. God bless you guys."

**We are excited about the Share the Light Spring Pledge Drive, happening March 3rd-8th, 2025!**

This is a special time to come together as a community to support the outreach that brings hope, encouragement, and the love of Christ to countless lives. Your generosity allows us to continue sharing God's Word across the airwaves and through programs like Treehouse One, which equips children and families every day with life-giving truth.

**This year, we are offering the Shine Your Light Daily Devotional by Chris Tiegreen for all new Air**

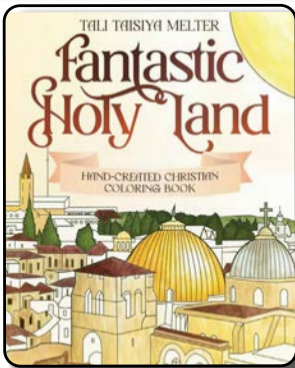

**Team members who commit to \$40 or more per month.** It's a meaningful way to say thank you and equip you with daily encouragement in your faith journey. The Treehouse One Grand Prize for children includes an Out Back Pack—a hiking-themed prize filled with hiking boots, a compass, canteen, and binoculars to inspire adventure and exploration!

**David and Diane Bailey of Bailey's Auto Repair and Towing** (our sponsor) will send a family of four on an unforgettable trip to Zion National Park, for a beautiful reminder of God's breathtaking creation. Last year, Donna from Barstow, California, won this special trip and shared how meaningful it was to spend quality time with her family. This year, you may be the one to experience this incredible getaway.

Your support makes all this possible. Through your generosity, lives are being changed as people hear of the love of Jesus Christ. Mark your calendar for March 3-8 and prayerfully consider how you can **join us in sharing the light of Jesus with the world.**

**Together, we can make an eternal impact!**

## Encouraging Love for Others

**One of Jesus' greatest commandments is to love your neighbor as yourself.** At Treehouse One, we recognize the opportunity God has given us to instill His word in the hearts of many children.

Studies show that children might experience antisemitism for the first time during their preteen or teen years. At Treehouse One, we are passionate about teaching children what Jesus wants all of us to know and practice: love your neighbor as you love yourself... Matthew 12:31.

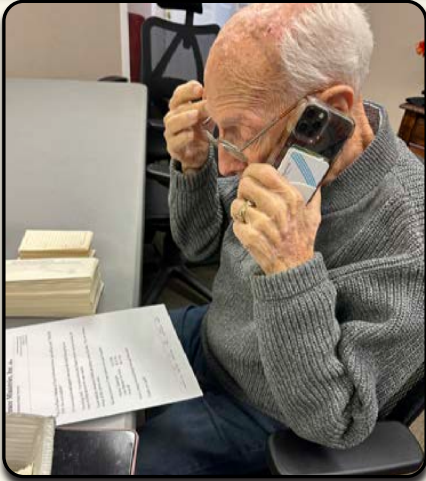

Treehouse One is a safe place for young children to be encouraged to learn about the beautiful Jewish people of Israel. Recently, Miss Debbie awarded the *Fantastic Holy Land Christian Coloring Book* in an effort to familiarize children with monuments and places in the Holy Land mentioned in the Bible; places like

the Garden of Gethsemane and Jesus' birthplace at Bethlehem.

Also, unique gifts were awarded to children with photos of the Artisans who made these particular gifts. Each item helps youngsters to learn of the precious people who inhabit the Holy Land, today. For instance, the miniature Menorah, was awarded with a photo of a Jewish woman working at Safeds Candles store, where she creates the candles that burn in them. The small ocean-blue ceramic bowl featuring loaves and fishes created by Itamar Even, of Israel was awarded to bring wonder to a child's life.

Miss Debbie reminds us that, "**Children are like wet cement, whatever falls on them leaves an impression.**" It is my hope and desire to impress upon children to **model the love of Jesus to all people.**
