

TreeHouse One

Scripture Memory Challenge

Dear TreeHouse One Friend,

We want to start by saying a big *thank you* for listening, calling, answering Bible questions, and growing spiritually with TreeHouse One. We hope that TreeHouse One has—and will continue to be—a fun and wonderful tool in your walk with God. We want you to know that we have loved hearing from you; your enthusiasm and joy have shone a light on the radio to many people listening in many communities. We are *so* grateful to have you here.

As you probably know, TreeHouse One is made possible by the generous giving of listeners who are moved by God to support our time together on the radio. Because of this, we come together a few times a year to tell people about the opportunity to reach others with the Word of God through radio. You've probably listened during these special times: our Pledge Drives.

Friend, as you've grown with us on TreeHouse One, you've learned so much, including hiding many scriptures in your heart. Now, we want to show everyone the power of scripture memorization and the impact of Christian radio, while supporting TreeHouse One in the process. During our upcoming Fall Pledge Drive, we'll set aside 30 minutes on **Friday, November 1st from 4:30-5 pm** to quote *as many scriptures as possible* on the radio. We'd like your help! Here's what you can do:

- **Pray** for the Fall Pledge Drive and the Scripture Memory Challenge
- **Participate** by calling and quoting scripture during the challenge
- And finally, ***ask others to sponsor TreeHouse One Friends*** participating in the challenge

Here's how it works:

We've set up a simple online form to take with you into your community like your church, homeschool group, or Bible study. Ask friends to *support TreeHouse One* by pledging a gift *for every Bible verse quoted*. The form is easy to fill out! We just need contact information to confirm each pledge. Friends can pledge any amount per verse and can cap their gift to a maximum amount if needed.

Once someone fills out the online form, we'll reach out to them to confirm, and later fulfill, their pledge of support. We've also included a reminders page as well as a page introducing TreeHouse One and the challenge. Please print these "Take-With" sheets if you can and keep them with you!

Whether those you talk to decide to make a pledge or not: Please, thank them for their time and ***ask them to pray*** for the continued mission of TreeHouse One ***and to listen*** to the Scripture Memory Challenge on the radio!

Finally...

Thank You!

As we prepare for the Scripture Memory Challenge during our Fall Pledge Drive, we want to express our heartfelt thanks for your wonderful support of TreeHouse One. You bring joy to our radio broadcasts, and together, we can impact lives for Jesus. We've attached some useful resources to help you get started and share the word.

Thank you for being a crucial part of our TreeHouse One family!

What is TreeHouse One?

At Your Celebration Radio Network, we believe in the power of Christian broadcasting to inspire, educate, and uplift individuals of *all ages*. TreeHouse One is one of the premier programs on Your Celebration Radio Network. Dedicated to nurturing the spiritual growth of children and their families, TreeHouse One offers a vibrant community of young believers and is a unique and cherished part of our ministry.

Central to TreeHouse One's mission is the "Where's My Treasure" Scripture Memory List, a structured approach to inviting children to explore and memorize the Word of God. Weekdays on TreeHouse One resonates with the voices of joyful children sharing the scripture they have hidden in their hearts. This practice of scripture memorization also fosters deep discipleship among young believers, equipping them with a treasure trove of wisdom, guidance, and hope to navigate life's challenges.

The Scripture Memory Challenge

Today, we are rapidly approaching our upcoming Fall Pledge Drive, a time when our community comes together to support the impact of Christian broadcasting. Your earnest prayers and support are sincerely appreciated. This Pledge Drive also marks a wonderful opportunity to support the Word of God going out over the airwaves in our community, and alongside this commitment to Christian broadcasting, we are excited to introduce the Scripture Memory Challenge.

The Scripture Memory Challenge is an engaging on-air event where children from our TreeHouse One community enthusiastically quote scripture verses they've memorized live on the radio to raise support for TreeHouse One and Your Celebration Radio Network. You can help raise this support and encourage these children. During the challenge, we encourage our dedicated supporters to make a pledge of financial support for each verse quoted on the air. By pledging your financial support per verse, you can directly contribute to the success of the challenge, encouraging young hearts in their journey of faith.
